Chief Financial Officer/Treasurer:
Billing authorities in England
Major precepting Authorities in England

Dear Sir/Madam,

**LOCAL AUTHORITY FINANCE (ENGLAND): DRAFT LOCAL AUTHORITIES
(ALTERATION OF REQUISITE CALCULATIONS) (ENGLAND) REGULATIONS
2007**

I attach a draft of the above set of Regulations.

The Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2007 will:

- Define police grant, and sums payable in respect of redistributed non-domestic rates and revenue support grant, for 2007/2008 for the purposes of authorities' budget requirement and council tax calculations.
- Remove, for 2007/08, references to relevant special grant in the provisions in the Local Government Finance Act 1992 and the Greater London Authority Act 1999 which govern authorities' budget requirement and council tax calculations, because no special grants will be defined as "relevant special grant" for 2007/08 in the regulations.

Timetable

The Secretary of State intends to make and lay before Parliament the Local Authorities (Alteration of Requisite Calculations) (England) Regulations 2007 in this form (but subject to any drafting amendments) once the Police Grant Report and Local Government Finance Report, drafts of which was included in the main provisional Settlement package, has been approved by resolution of the House of Commons. We expect this to be in early February. Since this statutory instrument will need to be in force before authorities calculate their 2007/08 budget requirement, it is proposed that the regulations come into force on the day after they are laid before Parliament.
